Innovation | Quality | Service

About us

Callistus is a multinational brand which is supported by entrepreneurs with vast experience for more than 25 years in the Window Covering Industry. We believe in combining innovation, research, quality, technology and experience giving birth to the largest range of Blinds in the World by a dedicated team of professionals. We resonate with a culture of ceaselessly reimagining the world around us.

The genesis of our Blinds with inceptive research and innovative ideas from a customer-centric solution based outlook and strong establishment of brand values makes us stand out as leaders. We have the world's largest range of 16 types of Blinds, Multiple Operating Systems and 2000+ shades of fabrics to match and create the best interiors for your home and office. We believe that innovation in Window Blinds brings a new dimension and comfort in the living space which multiplies the ease to light control according to need, mood and privacy providing Luxury.

'Growth is Life' - We strive to create a culture that reinforces our values for everyone associated with us. By Improving the quality of life of the society and community at immense, wherein the major focus is on value creation based on leadership with trust. We are focused on enhancing the satisfaction of our team members and communities we serve by securing the legacy of the captivating initiative. Progressing towards sustainability, we look for solutions to every challenge; Embrace change, pursue development and reducing friction in every area of the company.

Elevated standards of ethics, sky-scraping professionalism and a deep desire to supreme in whatever we do has fuelled us to fast-track growth and helped mould into what we are today, and what we aspire to be.
